## Annuity: Single Premium Deferred

### NEW CONTRACT RATES

Effective 9/23/2022

The MYGA Plus™ is a multi-year guaranteed, single-premium deferred fixed annuity with an Index-Linked Option offered by Ibexis Life & Annuity Insurance Company™. At its core, the MYGA Plus™ functions like a traditional multi-year guaranteed annuity (MYGA) product: it offers a Fixed Option that credits a simple guaranteed interest for a specific time (known as a Guaranteed Option Period or GOP). In addition, the MYGA Plus™ offers an additional premium allocation option. In the same contract, the client may also allocate up to 50% of their premium to an Index-Linked Option, which credits a guaranteed fixed amount if the S&P 500® increases during any annual period.

#### Fixed Option

Pays simple interest as stated as an annual rate and this interest is credited to the contract value daily. This interest rate is locked in for the Guaranteed Option Period (GOP) selected and will not change during that time.

#### Index-Linked Option

Offers a fixed annual rate that will be credited only if the tracked index (currently the S&P 500®) is higher than the previous year on a point-to-point basis. This is evaluated each year on the contract anniversary. If the index is higher than the previous year's value in any amount on the anniversary, the Index-Linked Option rate will be credited to the client's contract value based on the amount of premium allocated to the Index-Linked Option. Allocation can be between 0% to 50% of the total premium.

#### Fixed Option

GOP	3 Years	5 Years	7 Years
Guaranteed rate for GOP	4.65%	5.10%	5.10%

#### Index-Linked Option

GOP	3 Years	5 Years	7 Years
Guaranteed rate for GOP	7.00%	7.50%	7.00%

At the end of the GOP, the client has a 30 day window to either renew into the same GOP with new guaranteed rates, surrender charge schedule, and market value adjustment period (if applicable) or take their funds out via surrender, 1035 exchange, or Qualified Transfer without penalty.

## Rate Lock

If the annuity application is received in good order within 14 days of the application signed date, the rate is locked for 45 days from the application sign date. If the contract is issued within the 45-day rate lock period as outlined, the contract will be issued with the greater of 1) the locked-in rate(s) or 2) the rate(s) effective as of the date the contract is issued. If the contract is issued beyond the 45-day rate lock period, the contract will be issued with the current rate(s) that are applicable for the Fixed and Index-Linked Account(s) elected as of the contract issue date. If the purchase payment is funded from multiple sources, the contract is issued once all funds specified on the application are received.

MYGA Plus™ is not available in all states.

Additional benefits are available via riders to the contract and vary by state.

## Withdrawal Charge

The Company may impose a Withdrawal Charge against certain withdrawals from the Fixed Option Account Value(s) and/or the Index-Linked Option(s) Account Value(s). The Company will calculate Withdrawal Charges in accordance with the Withdrawal Charge Schedule shown on the Contract Data Pages.
