List of Company Ratings

Company: Standard Ins Co

Domicile: OR **Established:** 1906

A.M. Best Company Rating A (3)

Excellent. Assigned to companies that have, in our opinion, an excellent ability to meet their ongoing obligations to policyholders.

Standard & Poor's Financial Strength Rating

A+(5)

An insurer rated 'A' has STRONG financial security characteristics, but is somewhat more likely to be affected by adverse business conditions than are insurers with higher ratings.

Moody's Financial Strength Rating

A1 (5)

Insurance companies rated A offer good financial security. However, elements may be present which suggest a susceptibility to impairment sometime in the future.

Weiss Safety Rating

B+ (4)

Good. The company offers good financial security and has the resources to deal with a variety of adverse economic conditions. It comfortably exceeds the minimum levels for all of our rating criteria, and is likely to remain healthy for the near future. However, in the event of a severe recession or major financial crisis, we feel that this assessment should be reviewed to make sure that the firm is still maintaining adequate financial strength.
